

2011 LEGISLATIVE POLICY COMMITTEE MEMBERSHIP

(Railroad Name)

wishes to join the American Short Line and Regional Railroad Association's Legislative Policy Committee (LPC). I understand that LPC membership requires payment into the LPC fund at the level indicated below.

I understand that membership will provide my company an important role in developing the legislative policy that will guide ASLRRRA on such issues as tax credit extensions, reregulation, RRIF reform, truck size & weight and transportation spending policies. In addition to attending LPC meetings, members are called upon to assist with Washington, DC lobbying activities and to participate in grassroots fundraising and local media events.

Last year, thanks in large part to LPC efforts, ASLRRRA was successful in securing a 2 year extension of the Section 45G Short Line Tax Credit. Today short lines across America can plan for 2011 with confidence, knowing the tax credit is available to them. However, now is not the time to rest on our laurels. This promises to be a busy legislative year and significant work remains to ensure the future of Section 45G beyond 2011. The LPC cannot succeed without help from railroads like yours. Please join us today.

Please check the level of your desired LPC membership participation:
