MassRobotics will be hosting Day 1 of the 2022 Annual Committee Meeting.

MassRobotics' mission is to help create and scale the next generation of successful robotics and connected devices companies by providing entrepreneurs and innovative robotics/automation startups with the workspace and resources they need to develop, prototype, test, and commercialize their product solutions.

Located on 12 Channel Street across the street from the Hampton Inn, you'll get an opportunity to immerse yourselves in a creative environment promoting innovators and builders of the next generation of technology!

Jeffrey B. Mullan

Opening Speaker Day One

- Mr. Mullan has more than 25 years of experience working at the highest levels on transportation and redevelopment projects in Massachusetts and New England.
- In 2007 Mullan was the Undersecretary, Chief Operating Officer, and General Counsel of the Massachusetts Department of Transportation and Public Works.
- In 2009 Mullan served as the Secretary of the Department of Transportation for Massachusetts.
- Today Mullan practices administrative law representing clients on a wide range of matters to include transportation, construction and infrastructure development.

Meredith Slesinger

Opening Speaker Day Two

- In 2011 Mrs. Slesinger directed policy, legislative, and federal activities in support of the Northeast Corridor Commission.
- In 2016 Slesinger was the Senior Director of Strategic Planning for Amtrak, establishing standards and leading transportation planners while managing Amtrak's Engagement with the Northeast Corridor Commission.
- Today Slesinger is the Rail and Transit Administrator for the Massachusetts Department of Transportation overseeing the Commonwealth's 15 regional transit authorities, MassDOT's freight and passenger rail program and working directly with the MBTA.
