ASLRRRA Welcomes ISB Global Services to its Member Discount Program

ISB Global to Provide ASLRRRA Members with Background Screening & Compliance Services

WASHINGTON, June 20, 2023 – Today, the American Short Line and Regional Railroad Association (ASLRRRA) announces its newest [Member Discount Program](#) provider, [ISB Global Services](#) (ISB). ISB will provide ASLRRRA members with a suite of employment background screening products that will allow railroad and supplier members to be confident that they are obtaining appropriate and accurate information, while being compliant with privacy legislation. Companies will be able to use ISB as a one-stop shop for employment screening services including employment history verification, education and professional credential verification, domestic terrorism watchlist searches, motor vehicle records search and more. ISB is also able to provide cargo loss and supply chain security tools and mobile identity verification for secure access to facilities.

“Our industry places safety above all other priorities,” said Chuck Baker, President, ASLRRRA. “Ensuring that our employees are adequately screened, and that our locations are secure is one of the many ways the short line industry ensures safe operations. ISB Global Service’s commitment to safeguarding trust and integrity in the modern workforce, coupled with a robust suite of product options, drove their selection to our exclusive list of Member Discount Program partners.”

As a Preferred Provider in ASLRRRA's Member Discount Program, ISB Global Services is committed to providing exceptional customer service and exclusive discount pricing to ASLRRRA members, while delivering the following key program benefits:

- Improve safety and security across the entire industry with a program that offers background checks, safety training, testing, and certification.
- Develop best practices and work with short lines to implement mission-critical policies.
- Help advance safety culture, including a reduction in the frequency and severity of injuries and incidents.
- Minimize risk associated with onboarding personnel to ensure the safe transport of hazardous materials.
- Ensure regulatory compliance with privacy requirements.
- Mitigate fraud, vandalism, workplace theft and violence, terrorism, sabotage, proprietary asset loss, and immigration status issues.
- Develop a pre-qualified pool of emergency workers.

“On behalf of ISB Global Services, I would like to extend my heartfelt gratitude to the American Short Line and Regional Railroad Association for their extremely valuable partnership. Their collaboration has played a crucial role in strengthening our efforts to provide cutting-edge background screening and compliance solutions to the railroad industry. Together, we can offer a safer and more trustworthy environment for all employees and stakeholders. We are honored to work alongside such a respected organization and look forward to the continued success that our partnership will bring,” Han Koren, CEO, ISB Global Services.
